THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Loudon on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to allow 2% discount on all property taxes paid within thirty days after presentation of tax bill.
4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year, and to issue in the name and on the credit of the Town of Loudon negotiable notes therefor, said notes to be paid in 1965 from taxes collected during the current municipal year.
5. To see if the voters will authorize the purchase of a new grader. The present grader is approximately twenty years old and is just about worn out. Repairs for 1964 amounted to \$1,500.00 and it just can not be depended upon for the work required of it. A new one will cost between \$18,000.00 and \$20,000.00 complete with wing for snow plowing. This figure includes a trade in allowance and would be financed over a period of five years or more.

This sum to be raised by the issuance of bonds in the name and on the credit of the Town and to delegate to the Selectmen the decisions of fixing the date, maturities, denomination, interest rate form and other details of said bonds and procuring for sale thereof. The Selectmen suggest payments of \$2,500.00 a year.

6. To see if the Town will raise and appropriate the sum of \$3,000.00 for the Highway Capital Reserve Fund.

7. To see if the Town will vote to raise and appropriate the sum of \$140.00 for the Concord Hospital to help defray their estimated deficit for the year 1965.

8. To see if the Town will vote to authorize the Selectmen to use available Capital Reserve Fund for the purpose of replacing the Town truck if necessary before the end of the current year.

9. To see if the Town will raise and appropriate the sum of \$1,000.00 for the Fire Department's Capital Reserve Fund as set up in the 1963 Town Meeting.

10. Amendment To Building Code

To see if the Town will vote to amend the Building Code enacted by ordinance at the March 12th, 1963 Town Meeting to change paragraph two thereof to read, "The selectmen shall not issue the permit herein-before described if the proposed building, structure or other cover contains less than five hundred (500) square feet of floor surface, inside measurements, exclusive of garage and storage space other than ordinary household closets. The lot on which the building, structure, or other cover is to be located shall have a minimum road frontage of one hundred (100) feet and a minimum lot depth of one hundred and fifty (150) feet so that the total lot area shall be not less than fifteen thousand (15,000) square feet. The said building, structure, or other cover shall be set back a minimum of ten (10) feet from the road. Sanitation facilities shall conform to the rules and regulations of the New Hampshire State Board of Health.

And further to change paragraph three to read: For the purpose of this ordinance mobile homes and trailers used for human habitation shall be considered as buildings, structures, or other cover and shall conform to all the requirements of this ordinance. This requirement shall not apply to Travel Trailers temporarily located within the Town provided said Travel Trailers are not located within the Town for a period in excess of ninety days in any one calendar year.

This amendment shall take effect on April 1, 1965.

11. Proposed Ordinance re Dumps

Pursuant to the authority vested in towns by Chapter 51, Revised Laws of New Hampshire as amended, and to protect the health, safety, convenience and general welfare of the town, the following ordinance is hereby enacted by the voters of the Town of Loudon, New Hampshire in official Town Meeting convened March 9th, 1965.

The dumping of trash, rubbish, garbage or other waste material including old or wrecked motor vehicles is prohibited except at the official town dump.

Provided that the selectmen may authorize dumping other than the above when required or designed to provide fill for land improvement purposes, but such fill shall not include garbage or other waste material that would be a health hazard.

Nothing in this ordinance shall be considered as prohibiting the owner of property from disposing of waste material of his own providing such disposition does not create a nuisance to adjoining property owners or cause a health hazard to the inhabitants of the Town of Loudon.

Penalty: Any person or persons who violate any of the terms of this ordinance shall be subject to a fine of ten dollars (\$10.00) for each day they are in violation thereof.

12. By Petition

To see if the Town will vote to form a Board of Permit; such Board to consist of the members of the Board of Selectmen and the Planning Board; and this Board to have the authority to issue or deny permission to any business enterprise which may wish to operate in the Town of Loudon.

13. By Petition

To see if the Town will vote to change the order of business on the second Tuesday in March to the following:

Open polls at 10:00 a.m., close polls at 7:30 p.m.; conduct the reading of the Articles of the Warrant starting at 7:30 p.m.

14. To transact any other business that may legally come before said meeting.

Polls will close not earlier than seven o'clock in the evening.

Given under our hands and seal, this fifth day of February, in the year of our Lord nineteen hundred and sixty-five.

JAMES J. BROWN

Selectmen of Loudon

SELECTMEN'S REPORT, 1964

A review of the past year leaves one with mixed feelings. The first part of this report is the bright side.

For instance — you will recall the State Legislature passed a bill that allowed exemption on cattle and poultry. This amounted to approximately \$28,520. However, there were new taxable properties such as new buildings and trailers to compensate for this exemption.

We were fortunate in again realizing a reduction in the tax rate. We would again like to take this opportunity to express our appreciation to people who have paid their taxes promptly. This enabled us to again meet all our commitments, including school payments, without borrowing funds in anticipation of taxes. This has resulted in a substantial saving to the town.

The Lower Ridge Road has been completed and part of Clough Pond Road widened and tarred. There has been continued improvement on our gravel roads. However, there is a great amount of work to be done on these roads and it will take time and money. We are not suggesting any more appropriations than are absolutely necessary in any one year.

Replacing culverts and repairs to bridges during the past year have been costly and we are very much concerned with "Twin Bridge" on the Lower Ridge Road. This bridge has to have major repairs this year. It is estimated that the repairs on three bridges will amount to \$3,500 and this is included in the highway budget for 1965.

The motor in the town truck had to be replaced at the cost of approximately \$900.00. This was an unexpected expense.

The grader has reached an age of about twenty years and should be replaced. It has had to have extensive repairs the

past year and was out of service for a number of days, just when it was needed most.

The latter part of this report may not sound as pleasant as the first part, but these are facts you want to know about and with your cooperation we will do our utmost to overcome the problems that confront us.

May we remind you to please fill out your Inventory Form with the proper information. This is important to you and of great assistance to us in setting up the correct information on our books. Thank you.

JAMES J. BROWN,
ROBERT McLAREN,
LAURIS D. MOORE,
Board of Selectmen

REPORT OF ROAD AGENT

To summarize the work accomplished this year, the following items were of prime importance, namely;

The Ridge road to 106 via the Lower Ridge was completed as a T. R. A. project. This encouraged more and faster travel which created considerable bridge work; hence, additional and more extensive work is needed to make the so called "Twin" bridge more durable.

The Christina Clough bridge was rebuilt; new headers, new steel stringers and a new pipe railing was added for better and more permanent work.

New culverts were installed in bridge at Epps Mill, a much needed improvement.

Construction and paved stretch of Clough Pond road, about 3300 feet was accomplished, making a total of approximately two and one half miles of newly paved road. Plan to extend construction to Berry road, if possible.

For care and maintenance of macadam roads, 40,000 gallons of asphalt was applied. To clear and make safe for winter travel, 75 tons of salt was used this year on these roads.

Approximately, 7500 yards of gravel and sand was hauled to trouble spots, construction, tarring and for winter care.

About 30 miles of roadside was mowed.

Extensive repairs on grader were necessary which brings us to the realization that eighteen years of service means more and more costly repair. This is a very necessary piece of equipment and replacement of this grader, should be considered seriously, insuring more efficient service and future economy.

ROGER DOW,
Road Agent

AUDITORS' REPORT

January 23, 1965

TO: Board of Selectmen
Town of Loudon, New Hampshire

We hereby certify that according to the instructions of the State Tax Commission, we have examined the accounts of the Selectmen, Town Treasurer, Town Clerk, Library Trustees, Tax Collector, Trustees of Trust Funds and Judge of the Municipal Court, for the year ending December 31, 1964 and find them correctly kept and properly vouched.

GERALD B. SMITH,
C. A. BRINKMANN,
Town Auditors

REPORT OF THE LOUDON PLANNING BOARD

MEMBERS: William H. Brown, *Chairman*

James Brown, *Chairman, Board of Selectmen,*
ex officio

Benjamin Smith

Richard Murphy

Stanley Prescott

Harold Hill

C. A. Brinkmann, *Secretary*

In order to give all citizens of the Town ample opportunity to express their opinions and make recommendations the Planning Board held regular monthly meetings. All of these meetings were open to the public. The helpful attitude of the public is much appreciated by the board.

Arrangements are in progress to revise and bring up to date the Town Directory. Anyone noting any errors, or additions that should be made, are requested to notify any member of the board.

An amendment to the Town Building Code has been submitted to the selectmen for inclusion in the warrant for the 1965 Town Meeting.

An ordinance has been proposed to regulate operation of dumps of junk yards other than the town dump. This too will be included in the town warrant.

The Board is of the opinion that in order to adequately protect the interests of property owners in the town, and to protect future growth, an up to date and comprehensive zoning ordinance is needed. The Board invites suggestions and recommendations from all inhabitants of the town.

The members of the Board again wish to express their thanks and appreciation to the selectmen for their interest and cooperation in the work of the Board.

E. ELAINE LAMPON,
Clerk

FIRE DEPARTMENT REPORT

Your fire department had a busy year, answering 40 calls for:— 7 chimney fires, 1 faulty oil burner, 1 motor vehicle fire, 11 brush and grass fires, mutual aid calls 7, building fires 2, dump fires 7, debris burning 1, 1 T.V. fire, investigating smoke in house 1, lost person 1.

The major loss was one barn and contents.

Brush and grass fires while numerous were held to small area, though 1964 had the highest Forest Fire potential in years.

By order of the Federal Communications Commission, Loudon along with numerous other N. H. towns had to replace old and obsolete radio equipment this year. We now have new and modern radios in all our trucks.

Hose replacement was another major item. Several lengths were destroyed in service and had to be replaced.

Repairs were a sizable item on our older tanker. This tanker has been in service many years. Recommendation is made that it be retired to secondary or stand by status and replaced with a more dependable piece of apparatus as soon as funds are available.

Use the Fire Department phone for emergency calls only. For other calls to the Department use the personal phone of any of the officers.

Members of the Ladies Auxiliary continue to fill a very necessary and vital role in the Department by relieving men for fire fighting duties, furnishing lunches, running errands, constant monitoring of "Red Phone" and radio, and many other helpful services.

HARLAN DOWNES,
Chief

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued co-operation we are confident that we can improve our fire record in 1965.

REMARKS: In 1965 I asked for and received \$105.00 Special State Funds to help out the Town of Loudon. This money was beside the regular State and Federal money. I know that we will need it again for Loudon if it is available for 1965. I am going to put in for it.

Work was done in the following Blocks in 1964, 45-53-62. We had to leave 40 acres of Hertellum in Block 62. We will spray them this year.

Work coming up in 1965 is in Block 62 and 58 and No. 6 as far as we will be able.

The State would like to ask that you put the Sum of \$200.00 in your 1965 Budget for Blister Rust.

WALTER J. GILBERT,
District Leader

LOUDON SCHOOL DISTRICT**Annual Meeting — March 7, 1964**

Moderator Stanley H. Prescott called the meeting to order at 7:30 p.m. The salute to the flag was led by William Brown. The warrant was read. Pauline Haines and Hiram Cate were appointed ballot clerks. Melvin Bolden and Homer LaBonte were appointed as tellers. The polls were opened.

Articles 1, 2, 3 and 4 to choose officers for the coming year were skipped over because of paper balloting to be exercised later.

Article 5. A motion of Harold Hill's passed on salaries of District officers to remain the same as the budget \$448.00, after it was amended to include all the officers and agents. The proposal was adopted.

Article 6. Auditors report was read by Moderator Stanley Prescott, in absence of the auditors. Harold Hill reported on the co-operative school committee, which has been very active in the past year. A report on this study had been mailed to all voters previous to meeting.

Article 7. Motion of Everett O. Dow that this article of choosing agents, auditors and committees be passed over at the present time.

Article 8. On motion of Raymond Cummings that the budget be accepted as read for 1964-65 was passed. This proposal was adopted. The district voted to appropriate \$123,009.68 to balance budget. \$76,025.18 estimated to be raised as taxes and \$46,984.50 estimated income.

Article 9. On motion of Everett O. Dow that the district create a "co-operative school district planning committee" consisting of three qualified voters of the district, of whom at least one shall be a member of the school board. An

amendment was offered by William M. Osgood. The amendment being that the elected school board members serve on this committee as long as it is in effect. Both article and amendment were passed. This proposal was adopted.

Re-opening under Article 7. Motion of Everett Dow that the school board at the close of this meeting serve as co-operative school district planning board was passed. Motion of Everett Dow that auditors selected at coming Town meeting be declared school auditors was passed.

Article 10. On motion by Everett O. Dow that the voters of the Loudon School District will authorize the School Board to spend any monies received from the State Sweepstakes to set up facilities for a hot lunch program in the Loudon Grade School. An amendment was added by Robert L. Hibbard to authorize, but not necessarily obligate the School Board to spend the monies for that purpose. This article and amendment was passed. This proposal was adopted.

Article 11. Raymond C. Cummings moved that the next annual meeting of the school district of the Town of Loudon be held Saturday before Town Meeting, at the Town Hall at 7:30 p.m. March, 1965. This motion was passed and the proposal adopted.

At this time balloting for the school officers took place. 134 votes cast. Polls were closed.

Stanley H. Prescott received 112 votes for Moderator

Beatrice Jenkins received 45 write-in votes for Clerk

Fred Hackett received 48 write-in votes for Treasurer

Norman R. Bowles received 7 votes for school board

Everett O. Dow received 61 votes for school board

Richard A. Murphy received 63 votes for school board.

The following officers having a majority of votes for their respective offices were therefore duly declared elected for the ensuing year.

Stanley Prescott — Moderator

Beatrice Jenkins — Clerk

Fred Hackett — Treasurer

Richard Murphy — School Board

Motion was passed by Homer LaBonte for ballots to be destroyed.

Moved to adjourn at 10:25 p.m.

Respectfully submitted,

BEATRICE JENKINS,

Clerk

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Loudon, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Loudon Town Hall in said district on the Sixth day of March 1965, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the voters of the Loudon School District will authorize the Loudon School Board to arrange transportation for all children in grades 1 through 8 from their homes to the Loudon Grade School.

10. To see if the Loudon School District will raise and appropriate the sum of \$3600.00 to defray the additional cost of providing transportation for all children in grades 1 through 8 from their homes to the Loudon Grade School.

11. To see if the district will vote to transfer \$3000.00 to a capital reserve fund established for the purpose of financing additional elementary school facilities in accordance with RSA Chapter 35 and any amendments relating thereto.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Loudon this 16th day of February 1965.

Salisbury	270.40
Wilmot	254.80
	<hr/>
	\$5,200.00

The remaining \$5,000.00 is paid by the State.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Loudon:

Adequate classroom space is becoming more and more of a problem at the Loudon school. In September grade one had an enrollment of 51 pupils. Next year will no doubt see another large grade one enrolled.

As these pupils move on through the grades, there will be need for additional classrooms so that these grades may be divided into two divisions each. This arrangement is very necessary to give your pupils the background and training they need to be successful in high school.

At the present time some of these pupils from grade one are combined with pupils from grade two, so that the teachers in these grades will have a better opportunity to work with individual pupils.

At the moment, there is no space available to permit dividing of these groups next year. One possible solution, and it is only a temporary measure, is to employ an additional teacher to work with small groups taken from the larger classes. Storage or other space could be made available for such small groups, who would return to the regular classroom after a lesson and be replaced by others from the same grade, or from other classes which are too large for adequate instruction by one teacher in the regular classroom.

The Loudon School Board is very concerned about this problem, and is working to find a solution. The cooperative school plan may provide such a solution by taking grades seven and eight from the building, thus allowing room for expansion in the space now used by these grades.

Should this plan fail to materialize the board will be faced with the necessity of presenting a building program.

RAYMOND E. MORTON,
Superintendent of Schools

ANNUAL HEALTH REPORT 1963-1964

The School Health Service gives the following report:

Number of pupils examined 245

<i>Defects</i>	<i>Number</i>	<i>Corrections</i>
Vision	19	9
Skin	1	1
Glands	4	2
Teeth	88	55
Tonsils	3	2
Wax in ears	12	4
Individual Inspections		1014
First Aid		22
Pre-School Clinic		24
Interviews		28
Dental Clinic		16
Special Cases		5

Home Visits 61

Communicable Diseases:

Chicken Pox	1
Measles	32
Whooping Cough	4
Pediculosis	1
Impetigo	1

The School Health Service would like to thank the PTA for help given in carrying on the work of the health program.

RUTH B. WHITCOMB, R.N.,
School Nurse

SCHOOL CALENDAR FOR 1965-1966

Schools open	Wednesday, September 8, 1965
Schools close	Wednesday, November 24
Schools reopen	Monday, November 29
Schools close	Wednesday, December 22
Schools reopen	Monday, January 3, 1966
Schools close	Friday, February 18
Schools reopen	Monday, February 28
Schools close	Friday, April 23
Schools reopen	Monday, May 2
Schools close	Thursday, June 16

Days Out

October 22	NHEA Convention
November 25 & 26	Thanksgiving
May 30	Memorial Day

Optional Days Out

October 12	Columbus Day
November 11	Veterans Day
April 8	Good Friday

This calendar provides for 181 school days. Only full school days are scheduled. It is mandatory that all schools complete 180 full days of instruction. Graduations are to be after the completion of the 180 days. Any district taking more than one of the optional days will be required to make up the days at the close of the school year in June.

This is in accordance with policy of the State Board of Education.
